

Meet the TOPSafety Team

Dave Thompson

Dave Thompson is an entrepreneur and Co-Founder of TOPSafety LLC. Dave started from a family first career in Law Enforcement to which he added his knowledge with the highest level of professionalism and a focus in tactics, training and leadership. Dave is a dedicated, driven, and passionate leader for all.

Josh Clayton

Josh Clayton is currently a law enforcement officer and has worked in many capacities in the field. He has spent over 10 years teaching and training law enforcement officers and supervising officers. He is proud to bring an active law enforcement member to the TOPSafety team. One of the founding members of TOPSafety is on a mission to make a difference in the world.

Phil Harris

Prior to serving the community as a law enforcement officer for over a decade, Phil Harris served his nation in the United States Marine Corps. Phil has a passion for teaching, he has given instruction on a variety of classes to both the general public and private teachers. Teaching the fundamentals of law enforcement, training people to act, and ensuring the safety of what's most important to them.

- ✓ **45** years of law enforcement experience on the team

TOPSafety™ Training Core Offerings

SB553 Compliance

Real-World Experience

TOP Safety is from California's Central Valley and brings years of experience as public safety, legal compliance and Law Enforcement professionals. We specialize in workplace safety, which includes training and tools specific to SB553 compliance, active shooter training and trauma medical care training and tools. We have partnered with Allegiance Industrial Supply to ensure all of your workplace safety and SB553 compliance needs are met. No need to worry about creating legal documents or training courses, just reach out to AIS or TOP Safety today to determine exactly what your business needs to be safe and compliant.
